

## CURRICULAR PRACTICE PLACEMENT (INTERNSHIP)

### APPLICATION PROCEDURE FOR INTERNATIONAL EXCHANGE INCOMING STUDENTS

In view of the ever increasing complexity of placement management, Faculty of Social Work has established a few **minimum requirements** in order to be able to join the Practicum Program (Training and Supervision).

Both students and sending coordinators are kindly asked to pay careful attention to these academic and language requirements before applying for Practicum.

#### GENERAL RULES

1. We can only accept Practicum applications within **STUDIES** mobility programs (SMS). Faculty of Social Work cannot offer training placements for other (non curricular) kind of programs such as Erasmus Training Mobility Program (SMT).
2. Students must include the course **Prácticas y Supervisión (Prácticum)** in their **Learning Agreements**.

Please note: Prácticum is worth 42 ECTS (400 h training + 45 h academic supervisión), it cannot be fragmented or reduced. It takes from September to June. NOT FLEXIBLE.

3. Only Social Work bachelor students in their last year (3<sup>rd</sup> or 4<sup>th</sup> year) can apply for Practicum. Candidates from other disciplines or in 2<sup>nd</sup> year cannot be accepted.
4. Spanish Level:  
A good command of the Spanish Language (CEFR **C2**) is **mandatory**.

**Very important:** If appearances deceive and the student, after arrival, proves in fact not fluent enough as to be integrated into Prácticum, or

his/her academic background is insufficient, his/hers Prácticum application will be considered null and void.

5. Academic Period: ANNUAL (from September to June).

6. **Last, but not least:**

When applying, students are welcome to point out their favourite intervention domain. However, Faculty of Social Work cannot always find a placement according to the student's desires, since we're subject to availability and also to the applicant's specific profile.

Therefore, exchange students are to bear in mind that they **must follow the selection procedure and accept the Placement appointed** by the Head of Prácticum, like all their Spanish fellow students do.
