

SOCIAL WORK DEGREE

Presentation:

Social workers carry out their profession in a variety of different fields; international organisations, public administrations, universities, private companies as an employee or freelancer and in the tertiary sector (associations, foundations, federations and other social organisations).

The Social Work Faculty of the Complutense University is the first one created in Spain as well as being one of the biggest faculties, not only of Spain but Europe. This University prepares future experts and is in high demand by students.

The Social Work Faculty shares its building with the Politics and Sociology Faculty located in the Somosaguas Campus and has the infrastructure and necessary services to teach the Degree: library, Assembly Hall, rooms, IT rooms, seminar rooms, wifi areas, cafeteria, etc.
